• Summary

I am MCA student graduating in 2026 with knowledge of Python, Web Development, DBMS, Data Structures & Algorithms, and Object-Oriented Programming. Currently expanding my skills in JavaScript, React.js, Node.js, REST APIs, Machine Learning and modern full-stack web development. Developed a Book Recommendation System project and am passionate about building scalable software solutions. A quick learner with strong collaborative and adaptive abilities, eager to contribute to development teams while continuously learning new technologies. Seeking an entry-level Software Developer role to apply technical skills, solve real-world problems, and gain industry experience.

• Skills

- **Programming** : Python(Core & Advanced), Object-oriented Programming(OOP).
- **Backend Development** : Django, Flask.
- **Database** : MySQL, SQL Queries, CURD Operations, Database Design.
- **Web Technologies** : HTML, CSS.
- **Tools** : Git, Github, VS Code, IntelliJ IDEA.
- **AI Tools** : ChatGPT, Claude.
- **Concepts** : OOP, DBMS, Software Testing, Data Structures.

• Education

Bytco College Nashik, Pune University

Bachelors of Computer Application, CGPA: 7.30

2023 | Nashik, Maharashtra

ASM IBMR MCA Chinchwad, Pune., Pune University

Masters of Computer Application 2026 | Pune,

Maharashtra Currently Pursuing.

• Projects

Book Recommendation System

Description: Developed a machine learning-based web application that provides personalized book recommendations based on user preferences and interests. The system allows users to register, log in, browse books, and receive relevant recommendations. It includes secure user authentication and book management features. A content-based filtering algorithm is used to generate recommendations. The application features a responsive and user-friendly interface and stores user and book data efficiently in a database.

Tools & Technologies: Python, Flask, MySQL, Scikit-learn, HTML, CSS, JavaScript, Bootstrap, Git, GitHub.

• Certifications

- Python Full Stack Developer at Kiran Academy (Pune).
- Online (Project/internship) at Anudip Foundation(Pune).
